Out of Zone Enrolments 2026

Tēnā koutou, nau mai, haere mai,

The Board of Enner Glynn School is excited to extend an invitation for out of zone enrolments for 2026. The Board has determined that there are 10 places available at our new entrant level in 2026, and 5 places at each of the Year 1-6 year groups respectively.

Enrolment at the school is governed by an enrolment scheme. You can see details of this at our website: www.ennerglynn.school.nz

Applications for an out of zone enrolment can be made by completing an application form for 'out of zone' enrolments, available on our website.

To help with our planning for next year, the deadline for applications for out of zone places is **Monday 8 September 2025**.

If the number of out-of-zone applications exceeds the number of places available students will be selected by ballot in accordance with the Education and Training Act 2020. The ballot will be held no later than Thursday 11 September and parents will be informed of the result no more than three school days after this date.

If you would like to find out more about our kura, please contact the office on the above contact details to make an appointment. I would love to meet you and your child and take you for a tour.

Ngā mihi,

John O'Regan
